The tree up-lights are where tested prior to the Christmas light switch on. 1 up-light is missing (removed due to being faulty)

The Clerk is requested to obtain quotes for a replacement/upgrade and also for new lights with both up and down lights.

Marshalls are required for both the area around the tree & at the Lord Nelson to provide the refreshments.

Clerk to invite Lorriane Atkinson (Scouts) to assist at the Lord Nelson.

More volunteers are required at the tree.

1 Lamp post decoration failed near the tree – Clerk to advise City Illuminations.

The Father Christmas at the Lord Nelson was a success, and he will be requested to attend again next year.

## **26.05 Seniors Christmas Meal Review**

The Seniors meal was a success, on both days, with the quality of the service provided by The Halway House being praised. Letters of thanks have been received from residents.

One improvement for next year would be to have pots of tea & coffee on the tables rather than being served, which was a hazard.

It was suggested that the Parish Council may be able to accommodate more residents at each sitting. Clerk to check.

The meal is to be advertised earlier to allow more people to attend if possible. The advertising strategy used this year worked well. More people were able to attend as the venue is on a good bus route.

Clerk

Consider table planning for groups of friends – but NO group bookings to be taken.

Clerk

Book the Halfway House again for 2026 around mid-December
